

## Web Resources: Blogs, Forums, Wikis

Jewish Roots Forum (<http://forum.j-roots.info>) [*in Russian*] — registration required; series of forum topics for researchers (not exclusively in Russia) exchanging and requesting information

Lara's Jewnealogy (<http://larasgenealogy.blogspot.com>) — personal blog of one person's genealogical story, with many useful links to other sites and blogs

Blood and Frogs (<http://bloodandfrogs.com>) — Philip Trauring's collection of articles, blog posts and links

Wikitree (<http://www.wikitree.com>) — free, registration required; worldwide posting and sharing for DNA and family trees with open editing; requires source validation

FamilySearch US Genealogy Wiki ([http://www.familysearch.org/wiki/en/United\\_States\\_Genealogy](http://www.familysearch.org/wiki/en/United_States_Genealogy)) — subsite within Family Search (see above) with articles specific to US genealogical sources
